Re: Commissioner John J. Astrue c/o President Barack H. Obama Affidavits (attached)

Dear Mr. President:

Our name is Hill: Darrell James, Hill, husband, and wife Beverly Jean Romero- Hill. We are American Citizens born in states of the union of States of America. We trust in God Almighty, the God of Abraham, Isaac and Jacob, and keep the commandments of the Most High God YHVH sacred.

We have written to Commissioner Astrue c/o You the attached Affidavit(s) (Notices of Default) **because you are this agency's direct chief executive.** The Affidavit decrees our Non-SSA association status and demands the Commissioner's strict compliance with our Constitutional decree.

Issue History and Status

We administratively ordered Commissioner to rescind the any SSA association (account, number, et seq.) over six years ago necessitating writing the American Citizen Sovereign's Affidavits now enclosed to Commissioner c/o you.

The statuses are not administrative issues, not requests, and not subject to dispute. The decrees and demands are plainly from inalienable Constitutional rights of choice as we did act, and the Commissioner is Constitutionally constrained and duty bound to serve in accordance with each decree and order. (When a Constitutional republic's principles are abandoned without apprehension of repercussion, look for a dulocracy.)

What We want you to do

Commit the letter to the addressee; and, oblige the Commissioner to without hesitation obey our decrees and demands, to respect our choices under obligation to the Constitution for United States of America. Your expedience in this matter would be appreciated.

Sincerely;

Darrell James, Hill (husband)
Sovereign Citizen of the United States of America

Beverly Jean, Romero-Hill (wife)
Sovereign Citizen of the United States of America

Since 2006 the Commissioner has ignored Submitter's determination;

1. See Judges Order in United States of America v. Beverly J. Hill, and Darrell J. U.S. Commissioner of SSA Authority

Submitter does Not volunteer His sovereign Constitutional rights to Commissioner. Under the Constitution for the United States of America public servants' actions ignoring Submitter Sovereign's order for rescission of the SSA association are criminal behaviors imposed without right against Submitter's sovereign rights of choice for rescission of and non-association with the SSA.

Commissioner Acquiesced by Inaction upon Sovereign's demand

NO response is acquiescence in the Default of Notice and Demand. Further, No acknowledgment by Commissioner of Submitter's sovereign authority to command rescission of the SSA association is a direct violation of Commissioner's Constitutional obligation to the People of the United States of America. Thus, you are in Dishonor.

Thus, the Commissioner's inaction after Submitter's sovereign demand:

breached Commissioner's sworn Constitutional duty;
failed stated administrative regulations governing Commissioner's actions; and,
violated Submitter's sovereign constitutional rights of choice.

As Commissioner's behavior is plainly un-Constitutional your dysfunction should not be enabled because:

Submitter is a Sovereign private human being

Submitter is a Sovereign Citizen under the Constitution for the United States of America. As such, Submitter prohibits future record keeping of this Submitter, Darrell James, Hill, the private human being, in Commissioner's governmental and/or other associated databases as anything other than a Sovereign Citizen under the Constitution for the United States of America in the Constitutional sense.

Submitter does Not relinquish His Sovereignty to the Commissioner

Because of the Amendment X to the Constitution for the United States of America, the federal United States government has no authority and cannot assume authority over the People.

> *"The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people."*
> *[Constitution for the United States of America, Amendment X]*

Sovereignty is a natural right which cannot lawfully be relinquished involuntarily. Any removal of sovereignty must be accomplished voluntarily by the Submitter: Government powers may not reach beyond that which is constitutionally granted. Thus, in order for the "United States" government to vicariously subject Submitter to its law(s) it is necessary for Submitter to relinquish sovereignty to the "United States" government. Since 2006 the SSA association has been INVOLUNTARY, compelled in this instance by the Commissioner's disobedience of Submitter's Sovereign Choice.

Commissioner's strict compliance with Sovereign's rescission order was demanded

Upon receipt of Notice and Demand for the rescission of the SSA association, you were thereby immediately obligated to: 1) correct Submitter's all association, history and "Numident" consistent with Submitter's Non-SSA association determination; 2) provide documentation of (i) your strict compliance with Submitter's rescission order (ii) noting that it was effective as of the date of original order of rescission (May 2006).

Commissioner has Not had Nor has now authority to disobey Submitter's Order of Rescission

Commissioner has not had and still yet has No Constitutional authority, presumed or assumable, to disobey Submitter's order of rescission of the SSA association. **Submitter Sovereign herein**

Sovereign Decree

Because the Commissioner dishonors his office before the lawful order from Darrell James, Hill, a sovereign Citizen of the United States of America, by:

(a)
(1) denial of Constitutional compliance to Submitter's order;
(2) disobeying rescission order of all SSA association: and, that

(b) upon all prima facie evidence herein, that Sovereign:
(1) made known the order to the United States Commissioner of SSA;
(2) noticed, demanded and severally made known the demand to the United States SSA Commissioner's attention so that Commissioner knew or should have known Submitter's Command,

Submitter confirms final compliance with all Constitutional requirements to sever the SSA association. Therefore,

Submitter Sovereign Constitutionally demands:
1) immediate elimination of all SSA association; and,
(2) Commissioner will immediately provide Submitter written compliance with Sovereign's decree, effective to the date of Submitter's order of first filing, to wit, May 2006.

U.S. Commissioner of SSA Authority
Submitter does Not volunteer His sovereign Constitutional rights to Commissioner. Under the Constitution for the United States of America public servants' actions ignoring Submitter Sovereign's order for rescission of the SSA association are criminal behaviors imposed without right against Submitter's sovereign rights of choice for rescission of and non-association with the SSA.

Commissioner Acquiesced by Inaction upon Sovereign's demand
NO response is acquiescence in the Default of Notice and Demand. Further, No acknowledgment by Commissioner of Submitter's sovereign authority to command rescission of the SSA association is a direct violation of Commissioner's Constitutional obligation to the People of the United States of America. Thus, you are in Dishonor.

Thus, the Commissioner's inaction after Submitter's sovereign demand:
Breached Commissioner's sworn Constitutional duty;
Failed stated administrative regulations governing Commissioner's actions; and,
Violated Submitter's sovereign constitutional rights of choice.

As Commissioner's behavior is plainly un-Constitutional your dysfunction should not be enabled because:

Submitter is a Sovereign private human being
Submitter is a Sovereign Citizen under the Constitution for the United States of America. As such, Submitter prohibits future record keeping of this Submitter, Darrell James, Hill, the private human being, in Commissioner's governmental and/or other associated databases as anything other than a Sovereign Citizen under the Constitution for the United States of America in the Constitutional sense.

Since 2006 the SSA association has been INVOLUNTARY, compelled in this instance by the Commissioner's disobedience of Submitter's Sovereign Choice.

Commissioner's strict compliance with Sovereign's rescission order was demanded

NO response is acquiescence in the Default of Notice and Demand. Further, No acknowledgment by Commissioner of Submitter's sovereign authority to command rescission of the SSA association is a direct violation of Commissioner's Constitutional obligation to the People of the United States of America. Thus, you are in Dishonor.

Thus, the Commissioner's inaction after Submitter's sovereign demand:
Breached Commissioner's sworn Constitutional duty;
Failed stated administrative regulations governing Commissioner's actions; and,
Violated Submitter's sovereign constitutional rights of choice.

As Commissioner's behavior is plainly un-Constitutional your dysfunction should not be enabled because:

Submitter is a Sovereign private human being
Submitter is a Sovereign Citizen under the Constitution for the United States of America. As such, Submitter prohibits future record keeping of this Submitter, Beverly Jean, Romero-Hill, the private human being, in Commissioner's governmental and/or other associated databases as anything other than a Sovereign Citizen under the Constitution for the United States of America in the Constitutional sense.

Submitter does Not relinquish Her Sovereignty to the Commissioner
Because of the Amendment X to the Constitution for the United States of America, the federal United States government has no authority and cannot assume authority over the People.

> *"The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people."*
> *[Constitution for the United States of America, Amendment X]*

Sovereignty is a natural right which cannot lawfully be relinquished involuntarily. Any removal of sovereignty must be accomplished voluntarily by the Submitter: Government powers may not reach beyond that which is constitutionally granted. Thus, in order for the "United States" government to vicariously subject Submitter to its law(s) it is necessary for Submitter to relinquish sovereignty to the "United States" government. Since 2006 the SSA association has been INVOLUNTARY, compelled in this instance by the Commissioner's disobedience of Submitter's Sovereign Choice.

Commissioner's strict compliance with Sovereign's rescission order was demanded
Upon receipt of Notice and Demand for the rescission of the SSA association, you were thereby immediately obligated to: 1) correct Submitter's all association, history and "Numident" consistent with Submitter's Non-SSA association determination; 2) provide documentation of (i) your strict compliance with Submitter's rescission order (ii) noting that it was effective as of the date of original order of rescission (May 2006).

Commissioner has Not had Nor has now authority to disobey Submitter's Order of Rescission
Commissioner has not had and still yet has No Constitutional authority, presumed or assumable, to disobey Submitter's order of rescission of the SSA association. **Submitter Sovereign herein decrees you to comply.** Submitter does not ask you to function within the confines of the Constitution for the United States of America; your service is only to comply!

NOTICE OF DEFAULT

You are in Default of Notice and Demand:

This document is the service of Notice of Default upon you Commissioner Astrue, et al., (Commissioner) of the Social Security Administration (SSA) for dishonor upon the demand and all prior notice of same from Beverly Jean, Romero-Hill, (Submitter) to rescind all SSA association as ordered, noticed and demanded.

Beverly Jean, Romero-Hill:
Submitter is an American citizen, a private human being born within the states of the Union of States of America. Submitter is Not a "U.S. Citizen", "person", "individual", "resident", or "etc." other terms of the municipal, administrative law and adhesion contract(s) of the "United States"; Rather, Submitter is a non-volunteer of same.

I, Beverly Jean, Romero-Hill, have settled my belief and place all my trust in God Almighty, the Torah God of Abraham, Isaac and Jacob, YHVH to protect and provide for me forever, now and hereafter. All I have ever needed is manifested through Him. This fact is my experience, understanding, my religious choice of Sovereign right, and not alienable under the Constitution for the United States of America. No other guarantor, specifically the United States SSA, is necessary or needed as I decided in May of 2006, the date of the ORIGINAL Order of Rescission received by the SSA association, et seq. See Since 2006 the Commissioner has ignored Submitter's determination (below).

Since 2006 the Commissioner has ignored Submitter's determination;

1. See Judges Order in United States of America v. Beverly J. Hill, and Darrell J. Hill, individually, ., No. CV 05-877-PHX-DGC permanently enjoined Submitter from any involvement in any way for filing or assisting in filing of any tax return for any "person or entity other than themselves." Submitter is not a "person" or and "entity". As the self, Submitter is an American Citizen under the Constitution for the United States of America, Not a "U.S. Citizen", etc. as determined above.

2. Administrative Demand For Rescission of SSA association was filed in May 22. 2006, at the local SSA office, evidence of which was sent broadly then filed into the public record in Gila County Arizona, Doc. Id. 2006-008774.

U.S. Commissioner of SSA Authority
Submitter does Not volunteer Her sovereign Constitutional rights to Commissioner. Under the Constitution for the United States of America public servants' actions ignoring Submitter Sovereign's order for rescission of the SSA association are criminal behaviors imposed without right against Submitter's sovereign rights of choice for rescission of and non-association with the SSA.

Commissioner Acquiesced by Inaction upon Sovereign's demand

Re: Case No.: CV07-1292-PHX-SRB, Johnson, et al., v. AzHHA, et al., Class Member Darrell James, Hill, RG/2 Claimant No. 000000930.

Judge Bolton:

I am the authorized representative of Claimant Hill Darrell James. A mistake must presented to the Court to avoid fraud, as Claimant Darrell James, Hill does not want to be party to a fraud.

It has come to my attention that a mistake or error has been made in the matter of the claims distribution(s) due but not paid to Claimant Darrell James, Hill (RG/2 Claims claimant # 000000930); in that, the matter has been handled by the C'EST TUI QUE Trust Trustees of Darrell James, Hill, (to wit, the Court, including Federal employees, assigns and appointees) as if the Claimant Darrell James, Hill, has been operating as a government agent under the TITLE NAME of a BIRTH CERTIFICATE.

For Clarification:

Point 1: Claimant Darrell James, Hill is a Common Law man of inherent rights granted him by the Creator of All that is. (See Enclosure A)

Point 2: Claimant Beneficiary Darrell James, Hill has not been operating as a government agent under the TITLE NAME of a BIRTH CERTIFICATE. From before the beginning of the case Class membership and through the claimant processes to now Claimant Darrell James, Hill has been acting only as (and will forever continue to same as) a Common Law man of inherent rights.

Point 3: Class Counsel has made known to the Court upon several footnote references indicating cases that contain the Claimant's Live Birth

Request For Court Trustee Protection Of Beneficiary Hill Darrell James

Record (*see Doc. # 755, pgs 2-3, bottom*) that Claimant is a Common Law man of inherent rights. Therefore,

BE IT KNOWN to the Court that Claimant Darrell James, Hill, is, has been, and will continue as, a Common Law man with inherent rights.

BE IT KNOWN to the Court that UPON THIS RECEIPT, Notice and Request for Court Trustee Protection of Beneficiary Hill Darrell James is formally completed upon the Trustee(s), et al., so to protect Trust Beneficiary Darrell James, Hill, in every regard and respect; that is, to make certain of the entire payment due to Claimant Darrell James, Hill, made without encumbrance (to wit, $35,806.40, plus any additional amounts of interest and other amounts due, known and unknown, without deduction or otherwise redistribution) to the name "Darrell James, Hill".

Dear Darrell James Hill:

Reference is made, to the UCC Financing Statement that you sent on June 30, 2015 to be filed at the Commercial Transaction Registry of the Department State of Puerto Rico. We are rejecting the document because we don't have jurisdiction over the subject matter.

Also, our statute says that: the debtor means the person who owes payment or other performance of the obligation secured, and the secured party means a lender, seller or other person in whose favor there is a security interest. In this context they must be different persons.

Enclosed is the money order for $25.00 with serial number [redacted].

Cordially,

Francisco J. Rodriguez Bernier
Assistant Secretary of State for Services

a) Due to the faux governmental disparity(s) arising out of the gross capital control controversies by the clandestine banking factions and their actors from in the 17th century to date, the constitutional government was and remains usurped by criminals intent upon theft of Almighty God's covenanted people even from the first presumed president until to date; to wit, a grand of scale usurpation under corporate veils with one goal to date: to still, kill, destroy and enslave Almighty God's covenanted people, the American nations of states of people.
b) The present defacto corporate government, in the order for to sustain its deception to govern, postures and administrates under the auspices of the Original Jurisdiction, as a corporation titled: UNITED STATES, INC. a federal corporation defined by its own statute(s) as a federal corporation in the nature of Title 28 USC 3002 (15), as: commercial entity implementing a corporate policy called "public policy." And, for reasons beyond the scope of this statement is defacto government under the Original Jurisdiction, under "united States of America," and the constitution thereto, by default.
c) The "UNITED STATES" government corporation, however referred to today, is not synonymous to "The united States of America" government de jure of the original authority and assemblage. Identically, the "UNITED STATES CONSTITUTION" is not synonymous to "The Constitution for the united States of America"; to wit: UNITED STATES CONSTITUTION is in fact the/a corporate by-laws statement of the said corporation, and is inherently mere corporate policy.

9) Consequently: Original Jurisdiction cannot be in conflict with itself; to wit: Almighty God made man in original jurisdiction, a) under Him, and b) over the earth and all of the substance, and c) reserving to Himself jurisdiction over man in total.
10) Natural people *de jure* are people under the God Almighty above all of the subsequent elements of the Original Jurisdiction; to wit: Darrell-James: Hill, et al.: people are the authority under-which the construct of the state nations and of the The Constitution for the United States of America are conceived and mandated, and are thereto obliged. People, therefore, are inherently superior to the present de facto UNITED STATES' corporate fiction by its own admission(s). Accordingly, by this political election: Darrell-James: Hill de jure is not politically subject to the corporate construct(s) for a sundry reasons, such as evidenced in the nature of the unconscionable Federal Reserve Bank Act of December 23, 1913 CE.

11) Notwithstanding, the permittant non-reestablishment of the de jure Governance of the Original Jurisdiction, and, thereby, of the matter(s) of the persistent enabling and support of the massive fraud(s) upon the people by the founding predecessors and present actors of the defacto UNITED STATES corporate government, includes:
a) abetting of the same deception upon the natural people de jure; to wit: Darrell-James: Hill, et al.:

b) protection of the extraordinary and persistent UNITED STATES corporate policy of covin, conspiracy, and collusion constructed and condoned by the present day UNITED STATES corporation and actor(s), pursuant from, in the nature of the 20th Amendment to the UNITED STATES Constitution; and:
c) subsequent Corporate and complicit agent acts including, but not limited to: progressive development of the Cestui Que Trust: entitled: DARRELL JAMES HILL, for the feigned benefit of the natural born American citizenry Darrell-James: Hill, "Secured Party", while implementing a patent systematic usufruct of the same people's trusts for the profit: power, prestige and privilege for egotistical gain while imposing the most massive abuse upon the trust beneficiaries, the American citizenry.

Dear Beverly Jean Romero-Hill:

Reference is made, to the UCC Financing Statement that you sent on June 30, 2015 to be filed at the Commercial Transaction Registry of the Department State of Puerto Rico. We are rejecting the document because we don't have jurisdiction over the subject matter.

Also, our statute says that: the debtor means the person who owes payment or other performance of the obligation secured, and the secured party means a lender, seller or other person in whose favor there is a security interest. In this context they must be different persons.

Enclosed is the money order for $25.00 with serial number [redacted]

a) Due to the faux governmental disparity(s) arising out of the gross capital control controversies by the clandestine banking factions and their actors from in the 17th century to date, the constitutional government was and remains usurped by criminals intent upon theft of Almighty God's covenanted people even from the first presumed president until to date; to wit, a grand of scale usurpation under corporate veils with one goal to date: to still, kill, destroy and enslave Almighty God's covenanted people, the American nations of states of people.

b) The present defacto corporate government, in the order for to sustain its deception to govern, postures and administrates under the auspices of the Original Jurisdiction, as a corporation titled: UNITED STATES, INC. a federal corporation defined by its own statute(s) as a federal corporation in the nature of Title 28 USC 3002 (15), as: commercial entity implementing a corporate policy called "public policy." And, for reasons beyond the scope of this statement is defacto government under the Original Jurisdiction, under "united States of America," and the constitution thereto, by default.

c) The "UNITED STATES" government corporation, however referred to today, is not synonymous to "The united States of America" government de jure of the original authority and assemblage. Identically, the "UNITED STATES CONSTITUTION" is not synonymous to "The Constitution for the united States of America"; to wit: UNITED STATES CONSTITUTION is in fact the/a corporate by-laws statement of the said corporation, and is inherently mere corporate policy.

9) Consequently: Original Jurisdiction cannot be in conflict with itself; to wit: Almighty God made man in original jurisdiction, a) under Him, and b) over the earth and all of the substance, and c) reserving to Himself jurisdiction over man in total.

10) Natural people *de jure* are people under the God Almighty above all of the subsequent elements of the Original Jurisdiction; to wit: Beverly-Jean: Romero- Hill, et al.: people are the authority under-which the construct of the state nations and of the The Constitution for the United States of America are conceived and mandated, and are thereto obliged. People, therefore, are inherently superior to the present de facto UNITED STATES' corporate fiction by its own admission(s). Accordingly, by this political election: Beverly-Jean: Romero- Hill de jure is not politically subject to the corporate construct(s) for a sundry reasons, such as evidenced in the nature of the unconscionable Federal Reserve Bank Act of December 23, 1913 CE.

11) Notwithstanding, the permittant non-reestablishment of the de jure Governance of the Original Jurisdiction, and, thereby, of the matter(s) of the persistent enabling and support of the massive fraud(s) upon the people by the founding predecessors and present actors of the defacto UNITED STATES corporate government, includes:
a) abetting of the same deception upon the natural people de jure; to wit: Beverly-Jean: Romero- Hill, et al.:

AUTHORITY

I: Beverly-Jean: Romero- Hill have all of the authority as a man under the God Almighty to establish this political election and dispel all of the contrary presumptions by the any actor(s), including, but not limited to the commercial entities mentioned/ referred to in this document, this: presumption is set. Furthermore: fidelity of the constitutional integrity of every UNITED STATES agency, and the any of the officer(s)/actor(s) thereof, are under the Constitution for the united States of America under Almighty God. 3 As you indicated in paragraph two, you defined "secured party" means a person ...." Please provide statute information upon which you relied in the English language so that we may agree. Generically, in the nature of UCC 9-102 (73) "**Secured party**" **means**: (A) **a person** in whose favor a **security interest**[27] is created or provided for under a security agreement[28], whether or not any obligation to be secured is outstanding; ... 3b) The UCC provides that presumption setting of the of personage and standing in right[29] may be set by one's chose in action[30] and such one aggrieved of that right may seek remedy.[31] And,

4 Your paragraph 3 proffers that "the debtor and the secured party names[32] shall be their legal names.[33]" So, as is made clear in the previous sections, that in accordance with the UCC and establishing statutes, as all personages in commerce are recognized by the UCC and the statutes, the only possible remaining obstacle to your affirmative filing of my any rendering is the "legal name" usage for all parties upon the UCC1-PR document under your ministerial duty. Please send to me the information upon which you have made your assertion. To be clear, then:

4a) The legal name of a corporation would be the registered name of that corporation; The legal name of a stock or certificate[34] holder would be the name listed on the stock or certificate instrument;

The legal name of a man would be his given common law Christian name and surname;[35] and: The 'legal name,' on the Birth Certificate, public organic record[36], would be the name listed on that instrument. Therefore,

4b) Specific to the rendering in question, a legal straminues homo[37] name on the Birth Certificate is the legal entity name thereto and is a name without a "surname" by form though it is composed of the elements of the legal name of the principal and real party in interest, the man with the legal name. And,

4c) Specific to the rendering in question, the legal name of the principal and real party in interest in the certificate of birth is the man from whom the stramineus homo legal entity name is derived[38]. Thus,

4d) Though the stramineus homo legal entity name on the birth certificate and the legal name of the man are similar in appearance and sound, in fact they are not identical in origin or law. Moreover, the stramineus homo legal entity name of the birth certificate is identified by the UCC to be an "individual" of legal construct, to wit, an evidence of the right of transmission,[39] [40]whereas the legal name of the man is a "private[41] individual" of natural origin in commerce. However, this discussion is beyond the scope of this remedy. Finally,

4e) Specific to the rendering in question, the remaining name requiring review is that of the legal name of the debtor, the "Secretary of the Treasury," also known as: "Secretary," " Secretary of the Treasury of Puerto Rico," " Secretary of the Treasury of the Commonwealth of Puerto Rico." However, I will refer to the debtor as "Secretary of the Treasury" for reasons; to wit:

13 **LEGAL FRAUD.** Contracts or acts as, though not originating in actual evil design to perpetrate fraud, yet by their tendency to mislead others or to violate confidence, are prohibited by law. See in the nature of Ruedy v. Toledo Factories Co., 61 Ohio App. 21, 22 N.E.2d 293, 297. Breach of duty which has tendency to deceive others and operates to their injury, even though there be no vicious intent. See in the nature of Charlerol Lumber Co. V. School Dist. of Borough of Bentleyville, 334 Pa. 424, 6 A.2d 88, 91.

14 **FRAUD.** An intentional perversion of truth for the purpose of inducing another in reliance upon it to part with some valuable thing belonging to him or to surrender a legal right; a false representation of a matter of fact, whether by words or by conduct, by false or misleading allegations, or by concealment of that which should have been disclosed, which deceives and is intended to deceive another so that he shall act upon it to his legal injury. See in the nature of UCC 1-201 (27).

PERSON. A man considered according to the rank he holds in society, with all the right to which the place he holds entitles him, and the duties which it imposes. See in the nature of People v. R. Co., 134 N.Y. 506, 31 N.E. 873.- BLACK'S LAW DICTIONARY, 4th, (1968), p.1299.

16 **DEBTOR.** One who owes a debt: he who may be compelled to pay a claim or demand. Anyone liable on a claim, whether due or to become due. See in the nature of Cozart v. Barnes, C.C.A.S.C., 240 F. 935, 938.

2c) It is determinate that the UCC, and the statutes establishing, admits all debtor entity parties in interest in commerce without exclusion. And,

3 As you indicated in paragraph two, you defined "secured party" means a person …." Please provide statute information upon which you relied in the English language so that we may agree. Generically, in the nature of UCC 9-102 (73) **"Secured party" means**: (A) **a person** in whose favor a **security interest**[27] is created or provided for under a security agreement[28], whether or not any obligation to be secured is outstanding; … (E) a trustee, indenture trustee, agent collateral agent, or other representative in whose favor a security interest... is created or provided for; or.... Thus,

3a) As made definite above the tenets of the secured party personage and relative interest in commerce is expressly provided for by the UCC without exclusion. Moreover,

3b) The UCC provides that presumption setting of the of personage and standing in right[29] may be set by one's chose in action[30] and such one aggrieved of that right may seek remedy.[31] And,

4 Your paragraph 3 proffers that "the debtor and the secured party names[32] shall be their legal names.[33]" So, as is made clear in the previous sections, that in accordance with the UCC and establishing statutes, as all personages in commerce are recognized by the UCC and the statutes, the only possible remaining obstacle to your affirmative filing of my any rendering is the "legal name" usage for all parties upon the UCC1-PR document under your ministerial duty. Please send to me the information upon which you have made your assertion. To be clear, then:

4a) The legal name of a corporation would be the registered name of that corporation; The legal name of a stock or certificate[34] holder would be the name listed on the stock or certificate instrument;

The legal name of a man would be his given common law Christian name and surname;[35] and: The 'legal name,' on the Birth Certificate, public organic record[36], would be the name listed on that instrument. Therefore,

4b) Specific to the rendering in question, a legal straminues homo[37] name on the Birth Certificate is the legal entity name thereto and is a name without a "surname" by form though it is composed of the elements of the legal name of the principal and real party in interest, the man with the legal name. And,

4c) Specific to the rendering in question, the legal name of the principal and real party in interest in the certificate of birth is the man from whom the stramineus homo legal entity name is derived[38]. Thus,

4d) Though the stramineus homo legal entity name on the birth certificate and the legal name of the man are similar in appearance and sound, in fact they are not identical in origin or law. Moreover, the stramineus homo legal entity name of the birth certificate is identified by the UCC to be an "individual" of legal construct, to wit, an evidence of the right of transmission,[39] [40]whereas the legal name of the man is a "private[41] individual" of natural origin in commerce. However, this discussion is beyond the scope of this remedy. Finally,

4e) Specific to the rendering in question, the remaining name requiring review is that of the legal name of the debtor, the "Secretary of the Treasury," also known as: "Secretary," " Secretary of the Treasury of Puerto Rico," " Secretary of the Treasury of the Commonwealth of Puerto Rico." However, I will refer to the debtor as "Secretary of the Treasury" for reasons; to wit:

4f) In positive law of Congress in support of the subsequent Executive Orders thereto, the President(s) used the title "Secretary of the Treasury[42]" vesting the duties and responsibilities of the "Alien Property Custodian[43]" and the "common-law trustee[44]" onto

Dear Beverly Jean Romero-Hill:

Reference is made to the UCC Financing Statement that you sent to be filed at the Commercial Transaction Registry of the Department State of the Commonwealth of Puerto Rico. We are rejecting the document because we don't have jurisdiction over the subject matter.

In addition, our statute establishes that: a debtor means a person who owes payment and is obliged to perform an act; and a secured party is a lender, seller or other person for which there is a security interest in property to guarantee such obligation. This means they must be different persons.

On the other hand, the debtor and the secured party names shall be their legal names.

Enclosed is the money order for $25.00 with serial number 22715966305.

And, finally, because you are

the only next responsible party in the 9th Circuit Court for addressing the harm and loss i allege, i want my Common-Law-Claim filed and proceeding with no abuse actions against me.

Section I: Offenders; the Group

For nearly four months, beginning January 04, 2017, my Claim has been destroyed by an employee- "group"[8] within the 9th, Circuit United States District Court[9], "USDC", Phoenix, Arizona. As explained below under Section III, the group's disregard for my fundamental-and-substantive-rights, rather than the protection of my rights, is a violation against[10] the sovereign people, "people" – the same United-States-of-America-people giving rise to the government for the United States, the United States government, "USgov", and under it, the inferior-courts.

Section II: The Contract

Understanding Almighty God, the people of the United States formed-the-Constitution[11] for the people of the United States, under which the USgov was delegated authority[12] to serve: to establish statutory[13] judicial rules and inferior courts[14]. To wit:

a) No statute, and No code, and No rule on any level of the USgov may exceed the Constitutional limits of authority delegated to it by the people; b) The people are forever sovereign over the USgov. And, c) the USgov is forever bound by the Constitution contract: to understand the limits, duties, and obligations of the authorization enabled it. This is common knowledge in fact and in public records.

Section III: Breach of Contract

i presented a claim for filing suit with trial-by-jury[15], for the recovery of my property re: "'Hill v Lynch'" **In The *Hill Court;* 'A Federal Court'**

at 'District Court of the united States
for Phoenix Arizona', U.S.A.

The USDC- Phoenix assigned Case No. CV-17-00026-PHX-BSB.

But, my Common-Law-Claim presentment was Not filed for suit as ordered. Instead, the group, at the USDC- Phoenix Clerk of Court, et al.: 1) changed[16] the court[17], 2) changed the trial-by-jury, and 3)

changed the jurisdiction[18]: 3a) without[19] my counsel, 3b) with No-authorization[20], and 3c) without jurisdiction; then, they 4) did not issue summons; and, 5) a month later wrote ostensibly[21] that they would not issue summons unless I agreed to substitute their jurisdiction. **Neither the USgov nor an inferior court under it has authorization from the people in the Constitutional contract to impose[22] wanton abrogation[23] of fundamental or substantive or common law rights upon the people (upon i: man).** To this, any and all presumption of authority for the group's any changes to my claim has been expressly denied[24].

Section IV: Intent and Damage

The Arizona group implemented an obscure[25] color-of-law scheme using 'rules' and standard-operating-procedure[26] with No authority under the USgov to systematically- deprive[27] the people of their (i: man of my) fundamental, substantive, and common law rights. The record reflects that the group ostensibly sought to obtain jurisdiction over my claim by willful deception and coercion.

At minimum the group members exceeded the USgov Constitutional authority, and did harm and cause loss upon i: man, and with regard to the trespass-upon-the-case[28] of the Common-Law-Claim for suit for an amount in controversy greater that twenty dollars. See Constitution (1787); Bill-of-Rights[29] (1789), Amendment VII[30], IX[31] and X[32].

Section V: Restoration

Despite my good faith efforts and admonishment, even the conspicuous "compensation due"

agreeance[33] -on default[34] upon any trespass-upon-the-case, the group members persisted to impose a deprivation of rights scheme or scam against i: man 1z, one of the people. Therefore, upon your receipt of this notice i require[35] that: **a)** this deprivation of rights in breach of Constitutional contract in all its forms of trespass-upon-the-case must be ceased and desisted hereto-forever post haste; **b)** my Common-Law-Claim presentments must hereto-forever be filed as ordered; **c)** This deprivation of rights must No longer be permitted; and, **d)** i: man must be made whole[36]. **I would want to know so to repair the wrong-doings occuring under my oath, authority, duty and obligation, and reputation.**

Section VI: Conclusion

There is No USgov authority nor inferior court authority under the USgov for the protection[37] of the group's wrong-doings against i: man's (against the people's) inalienable rights or substantive rights or rights to common law claim. The group members knew or should have known that **this deprivation of rights by any USgov subordinate was NEVER supposed to be imposed or allowed to happen to the people (to i: man)** of the United States of America. And,

This deprivation of rights against the people (i: man) hereto-forever must Not ever be tolerated.

i, say here, and will verify in open court, that all herein be true.

Re: DOJ-2017- 005548 (OIP)
VRB:VAV:MWM

Dear Mr. Hill:

This responds to your letter received in this Office on July 24, 2017. This response is made on behalf of the Office of Information Policy.

Your letter has been received by the Office of Information Policy (OIP) of the United States Department of Justice, which processes Freedom of Information Act (FOIA) and Privacy Act (PA) requests for records it maintains as well as records maintained by the Offices of the Attorney General, Deputy Attorney General, Associate Attorney General, Public Affairs, Legislative Affairs, and Legal Policy. OIP also adjudicates administrative appeals of denials of FOIA/PA requests made to the Department. This Office maintains the case files for the initial requests and administrative appeals it processes.

Please be advised that the FOIA provides a right of access to federal agency records that exist and can be located in federal agency files. The FOIA does not require agencies to conduct research for you, to analyze data, to answer questions, or to create new records in response to a FOIA request. Moreover, the FOIA does not apply to records that are maintained by states, counties, or cities, or by the legislative or judicial branches of the government. As such, the FOIA is not a means to provide correspondence to the Department of Justice. You may write to the Department at the following:

Department of Justice
950 Pennsylvania Avenue
Washington, DC 20530

You may wish to consult the Department of Justice's online Action Center, available at http://www.justice.gov/, which provides information on how to contact the Department for various purposes, including to submit a complaint, report a crime, or to find a form.

You may contact our FOIA Public Liaison at the telephone number listed above for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, Room 2510, 8601 Adelphi Road, College Park,

Donald, Greetings:

I sent you, Respondeat Superior, et al., my "Affidavit: Proof of Claim" – See ENCLOSURE ONE– declaring the criminal actions of your subordinates' deprivation of my Constitutionally-protected rights.

NOTICE: The systemic deprivations of my rights imposed by your criminal subordinates are now tantamount to your aiding criminal wrongdoings against me under all American law systems.

DEMAND: Righteously serve; finally correct the unlawful Constitutional matters. **Do Not Presume that I am subject to martial law rule.** I am Not. And, finally, because you are

the only next responsible party in the 9th Circuit Court for addressing the harm and loss i allege, i want my Common-Law-Claim filed and proceeding with no abuse actions against me.

Section I: Offenders: the Group

For nearly four months, beginning January 04, 2017, my Claim has been destroyed by an employee- "group"[8] within the 9th, Circuit United States District Court[9], "USDC", Phoenix, Arizona. As explained below under Section III, the group's disregard for my fundamental-and-substantive-rights, rather than the protection of my rights, is a violation against[10] the sovereign people, "people" – the same United-States-of-America-people giving rise to the government for the United States, the United States government, "USgov", and under it, the inferior-courts.

Section II: The Contract

Understanding Almighty God, the people of the United States formed-the-Constitution[11] for the people of the United States, under which the USgov was delegated authority[12] to serve: to establish statutory[13] judicial rules and inferior courts[14]. To wit:

a) No statute, and No code, and No rule on **any** level of the USgov may exceed the Constitutional limits of authority delegated to it by the people; b) The people are forever sovereign over the USgov. And, c) the USgov is forever bound by the Constitution contract: to understand the limits, duties, and obligations of the authorization enabled it. This is common knowledge in fact and in public records.

Section III: Breach of Contract

i presented a claim for filing suit with trial-by-jury[15], for the recovery of my property re: "'Hill v Lynch'" **In The *Hill Court;* 'A Federal Court' at 'District Court of the united States for Phoenix Arizona', U.S.A. Claimant Case No: CMN 7009 1410 0000 7868 5703 "**

The USDC- Phoenix assigned Case No. CV-17-00026-PHX-BSB.

But, my Common-Law-Claim presentment was Not filed for suit as ordered. Instead, the group, at the USDC- Phoenix Clerk of Court, et al.: 1) changed[16] the court[17], 2) changed the trial-by-jury, and 3)

8 **employee- "group"**means: a) Ranier, acting as Chief Judge and b) Brian, acting as Clerk of Court, (c) et al. employees under Ranier/ Brian: USDC-Ariz., Phoenix

9 **USDC** means: an inferior court under the authority of the government for the United States of America

10 **against** means: in opposition to, adverse, hostile

12 **authority** means: formal approval or sanction given; authorization

13 **statutory (adj.) statute** means: any law enacted under the Constitutional contract

changed the jurisdiction[18]: 3a) without[19] my counsel, 3b) with No-authorization[20], and 3c) without jurisdiction; then, they 4) did not issue summons; and, 5) a month later wrote ostensibly[21] that they would not issue summons unless I agreed to substitute their jurisdiction. **Neither the USgov nor an inferior court under it has authorization from the people in the Constitutional contract to impose[22] wanton abrogation[23] of fundamental or substantive or common law rights upon the people (upon i: man).** To this, any and all presumption of authority for the group's any changes to my claim has been expressly denied[24].

Section IV: Intent and Damage

The Arizona group implemented an obscure[25] color-of-law scheme using 'rules' and standard-operating-procedure[26] with No authority under the USgov to systematically- deprive[27] the people of their (i: man of my) fundamental, substantive, and common law rights. The record reflects that the group ostensibly sought to obtain jurisdiction over my claim by willful deception and coercion.

At minimum the group members exceeded the USgov Constitutional authority, and did harm and cause loss upon i: man, and with regard to the trespass-upon-the-case[28] of the Common-Law-Claim for suit for an amount in controversy greater that twenty dollars. See Constitution (1787); Bill-of-Rights[29] (1789), Amendment VII[30], IX[31] and X[32].

Section V: Restoration

Despite my good faith efforts and admonishment, even the conspicuous "compensation due"

agreeance[33] -on default[34] upon any trespass-upon-the-case, the group members persisted to impose a deprivation of rights scheme or scam against i: man, one of the people. Therefore, upon your receipt of this notice i require[35] that: a) this deprivation of rights in breach of Constitutional contract in all its forms of trespass-upon-the-case must be ceased and desisted hereto-forever post haste; b) my Common-Law-Claim presentments must hereto-forever be filed as ordered; c) This deprivation of rights must No longer be permitted; and, d) i: man must be made whole[36]. **I would want to know so to repair the wrong-doings occuring under my oath, authority, duty and obligation, and reputation.**

Section VI: Conclusion

There is No USgov authority nor inferior court authority under the USgov for the protection[37] of the group's wrong-doings against i: man's (against the people's) inalienable rights or substantive rights or rights to common law claim. The group members knew or should have known that **this deprivation of rights by any USgov subordinate was NEVER supposed to be imposed or allowed to happen to the people (to i: man)** of the United States of America. And,

This deprivation of rights against the people (i: man) hereto-forever must Not ever be tolerated.

i, say here, and will verify in open court, that all herein be true.

the only next responsible party in the 9th Circuit Court for addressing the harm and loss i allege, i want my Common-Law-Claim filed and proceeding with no abuse actions against me.

Section I: Offenders; the Group

For nearly four months, beginning January 04, 2017, my Claim has been destroyed by an employee- "group"[8] within the 9th, Circuit United States District Court[9], "USDC", Phoenix, Arizona. As explained below under Section III, the group's disregard for my fundamental-and-substantive-rights, rather than the protection of my rights, is a violation against[10] the sovereign people, "people" – the same United-States-of-America-people giving rise to the government for the United States, the United States government, "USgov", and under it, the inferior-courts.

Section II: The Contract

Understanding Almighty God, the people of the United States formed-the-Constitution[11] for the people of the United States, under which the USgov was delegated authority[12] to serve: to establish statutory[13] judicial rules and inferior courts[14]. To wit:

a) No statute, and No code, and No rule on any level of the USgov may exceed the Constitutional limits of authority delegated to it by the people; b) The people are forever sovereign over the USgov. And, c) the USgov is forever bound by the Constitution contract: to understand the limits, duties, and obligations of the authorization enabled it. This is common knowledge in fact and in public records.

Section III: Breach of Contract

i presented a claim for filing suit with trial-by-jury[15], for the recovery of my property re: "'Hill v Lynch'" **In The *Hill Court;* 'A Federal Court'**

at 'District Court of the united States
for Phoenix Arizona', U.S.A.
Claimant Case No: CMN 7009 1410 0000 7868 5703 "

The USDC- Phoenix assigned Case No. CV-17-00026-PHX-BSB.

But, my Common-Law-Claim presentment was Not filed for suit as ordered. Instead, the group, at the USDC- Phoenix Clerk of Court, et al.: 1) changed[16] the court[17], 2) changed the trial-by-jury, and 3)

changed the jurisdiction[18]: 3a) without[19] my counsel, 3b) with No-authorization[20], and 3c) without jurisdiction; then, they 4) did not issue summons; and, 5) a month later wrote ostensibly[21] that they would not issue summons unless I agreed to substitute their jurisdiction. **Neither the USgov nor an inferior court under it has authorization from the people in the Constitutional contract to impose[22] wanton abrogation[23] of fundamental or substantive or common law rights upon the people (upon i: man).** To this, any and all presumption of authority for the group's any changes to my claim has been expressly denied[24].

Section IV: Intent and Damage

The Arizona group implemented an obscure[25] color-of-law scheme using 'rules' and standard-operating-procedure[26] with No authority under the USgov to systematically- deprive[27] the people of their (i: man of my) fundamental, substantive, and common law rights. The record reflects that the group ostensibly sought to obtain jurisdiction over my claim by willful deception and coercion.

At minimum the group members exceeded the USgov Constitutional authority, and did harm and cause loss upon i: man, and with regard to the trespass-upon-the-case[28] of the Common-Law-Claim for suit for an amount in controversy greater that twenty dollars. See Constitution (1787); Bill-of-Rights[29] (1789), Amendment VII[30], IX[31] and X[32].

agreeance[33] -on default[34] upon any trespass-upon-the-case, the group members persisted to impose a deprivation of rights scheme or scam against i: man, one of the people. Therefore, upon your receipt of this notice i require[35] that: a) this deprivation of rights in breach of Constitutional contract in all its forms of trespass-upon-the-case must be ceased and desisted hereto-forever post haste; b) my Common-Law-Claim presentments must hereto-forever be filed as ordered; c) This deprivation of rights must No longer be permitted; and, d) i: man must be made whole[36]. **I would want to know so to repair the wrong-doings occuring under my oath, authority, duty and obligation, and reputation.**

Section VI: Conclusion

There is No USgov authority nor inferior court authority under the USgov for the protection[37] of the group's wrong-doings against i: man's (against the people's) inalienable rights or substantive rights or rights to common law claim. The group members knew or should have known that this deprivation of rights by any USgov subordinate was NEVER supposed to be imposed or allowed to happen to the people (to i: man) of the United States of America. And,

This deprivation of rights against the people (i: man) hereto-forever must Not ever be tolerated.

i, say here, and will verify in open court, that all herein be true.

Dear Darrell-James,

I want to take this opportunity to thank you for your letter requesting assistance.

Unfortunately, your situation appears to involve a legal dispute requiring resolution under the judicial system, and the Constitution mandates a separation of powers between the Judicial, Executive, and Legislative branches. Based on the information you provided, it appears this is a matter outside the jurisdiction of the legislative branch, and I feel that my involvement in your present situation may be viewed as an interference in the judicial process.

Darrel-James, I am sorry that I cannot be of assistance at this time.

Sincerely,

John McCain

Re: Darrell-James: Hill. Request for the representation from Arizona Senators: John and Jeff.

Dear John, xintCM, greetings;

For the April 16th, 2018 letter (attached) from the "xintCM" in a response to the initial notice of the USPS CMN 7015 1730 0002 3063 9386 (recv'd March 6, 2018) related to this :Darrell-James: Hill property matter is: **Point:** remedy and recourse of the commercial problem is nearly resolved within the Executive branch and must then be redressed to the Legislative branch of the government service, starting with the man John and Jeff: Senators Arizona. Thank you for the response.

In no wise did was the 7015 1730 0002 3063 9386 notice a request for a Legislative officer to micro-management of the other branches of the U.S. government service.

In accordance with the legislative duty, obligation and responsibility this Darrell-James: Hill property matter will at some point soon be within the separate jurisdiction of the legislative branch. Thereto this Darrell-James: Hill property matter is within your legislative scope. And, Most importantly now is the the fact that the USPS CMN 7015 1730 0002 3063 9386 is the timely and prima facie notice completed to :you John.

Whether you will effectively do or not do the protection-of-right duty and obligation indicated as hoped will be a separate matter; i hope the prior.

:i will correspond again once after and with the evidence of that the Executive branch commercial process is ended.

Sincerely:

day: April 26, 2018

technically abandoned by the U.S. government in preference for its U.S. Citizen sub-type – person that it controls; and, all hope of proactive protective action from the U.S. government is a choice in the nature of the UCC sections indicated above that every every man-, women- and child- American Principal must frequently and repetitively assert in all U.S. government encounters to stand in their sovereignty[91] under the original basis of Law of the Originating Documents constituting the union of the people enabling the States of America.

The U.S. Citizen Profit Center: American Principal

Hence, the targeting[92] of the "American Principals" as presumed "U.S. Citizens" has become a lucrative, for-profit[93], commercial enterprise[94] amassing[95] money and millions upon millions of Federal Reserve Note[96], "FRN", dollars[97] in charges, fees and penalties of all kinds imposed under the U.S. Citizen presumption scheme. The duty of protection from all U.S. government constructs is nearly completely abandoned; because, their failure in their duty to protect the men-, women-, and children-American Principals from the actual damages of the systematic U.S. Citizen presumption scheme is, at the least, extremely lucrative.

Finally, I observe that the systematic imposition of this lucrative scheme in all U.S. government encounters with every man-, woman- and child- American Principal is the most comprehensive direct overt[98] and covert[99] abuse of the U.S. government's fiduciary duty ever imposed upon every man-, woman- and child- American Principal, bar none; because, ALL American Principals have been enslaved.

Against this, the **Remedy and Right of Recourse** for i:man to resolve this real, ever present and escalating threat to the Almighty God- given rights of life and liberty and property must now-to-fore be pursuant to this Notice and Demand prerogative[100] [101]. To this end:

Under the Originating Documents constituting The united States of America herein is made Notice upon the U.S. government- Trustee: to wit,

Dear Kristen, Katie, Steve; Greetings,

Kristen :I :Darrell-James: Hill am: Ohioan born on the land in the Summit county Ohio state territory as the Certificate Of Birth established this fact of my nationality and standing: common law owner, one of the people[1].

:You are man acting in the role of PUBLIC SERVANTS. And, failure of your public duty with the without- remedy-denial of this man's document for the recordation is denied. And, as provided, your without-remedy-attached-denial-form instructs to this man to seek legal advice for to decipher your hypothetically legitimate denial of a common law public service duty and obligation[2] to the Ohio state national :Darrell-James: Hill. Your without-cause-denial process employed by your creating the impasse is effectively coercive and thereby tantamount to the giving legal advice to this Ohio state national. :I do not consent to your legal advice. Federal Reserve Note[95], "FRN", dollars[96] in charges, fees and penalties of all kinds imposed under the U.S. Citizen presumption scheme. The duty of protection from all U.S. government constructs is nearly completely abandoned because, their failure in their duty to protect the men-, women-, and children- American Principals from the actual damages of the systematic U.S. Citizen presumption scheme is extremely lucrative.

Finally, I observe that the systematic imposition of this lucrative scheme in all U.S. government encounters with every man-, woman- and child- American Principal is the most comprehensive direct overt[97] and covert[98] abuse of the U.S. government's fiduciary duty ever imposed upon every man-, woman- and child- American Principal, bar none; because, ALL have been enslaved.

NOTICE: Cease and Desist

RE: October 31st, 2016 Registered Mail Notice: Claim RE 322 399 279 US: Sept. 13th to 20th, 2016 Property Claimed Table; **Enclosure One:** 5 pages.

Loretta, Greetings:

i: man:

a) darrell- james: Hill; made claim upon you for property by the USPS RMN RE 322 399 279 US; sent: October 25. 2016; received: October 31, 2016;

b) have not heard or otherwise received response from you concerning the property; therefore,

c) send this Cease and Desist to stop any harm to me by your any action to delay disposal of the property claimed to me after the 'person's 60-day claim period with the court' is completed;

d) require you to dispose the property claimed by me to me immediately following the 'person's 60-day claim period with the court' is completed;

e) believe it would be wrong for you to not dispose to me all of the property claimed immediately as required; and,

f) believe that trespass upon my property rights must result in a claim against trespass.

Loretta: by trespass upon my property claimed, at 24 hours after the 'person's 60-day claim period with the court' and ending at 24 hours before the disposition to me of the property claimed, you agree to 1) be obligated to pay trespass costs at one silver dollar per minute until the property is disposed to me; including, 2) tacit agreement for unimpeded, uncontested judgment for the all trespass and receipt of property claimed costs.

Thank you Loretta,

i Am A Living Soul Unincorporated Inhabitant

12) It is an undisputed fact that a cestui-que-vie record of my birth[56] [57] onto the earth was onto the territory of Ohio state in the year one thousand nine hundred and fifty eight. There, i finished high school in the year one thousand nine hundred and seventy six; therefore, i am well past the age of majority; and, further, that i am a living soul sui juris[58], holder de jure[59] of the common office of one of the people of the non-political aggregate, and, presently, an unincorporated inhabitant on the Arizona state territory at the time of this signing.

Section 3 Inalienable Supreme Law of The Land

13) **a. The Const.-1787 and the BORights-1789-91 are the Supreme inalienable Law of the Land[60].** The Const.-1787[61], The BORights-1789-91, and the statutory ICCPR Treaty[62] are the Supreme Law of the Land. And,

14) The Supreme Court of the United States, "SCOTUS", is the final authority for the interpretations of the Constitution- Supreme law of the Land[63].

15) **b. The ICCPR Treaty enactment** was ratified by United States Senate in 1992, 138 Cong. Rec. S4781-01 (1992). Section IV says: "The Senate's advice and consent is subject to[64] the following proviso[65],.... Nothing[66] in this Covenant requires[67] or[68] authorizes[69] legislation[70], or other[71] action[72], by the United States of America prohibited[73] by the Constitution of the United States[74] as interpreted[75] by the United States[76]." establishes the ICCPR Treaty enforceable[77] as self-operating[78] and not self-executing[79] [80].

Section 4 United States', "State Party[81]," Obligation to the Law of the Land

16) The State Party is obligated to the ICCPR Treaty through the International Covenant(s), and this comes out in the ICCPR Treaty Ratification reservations, obligations, declarations and proviso the State Party made that it would respect these rights;

17) **ICCPR Treaty Ratification: II(5).** The Senate's advice and consent is subject to the following understandings, which shall apply to the obligations of the United States under this Covenant: ... (5). That the United States understands that this (ICCPR) Covenant shall be implemented by the Federal Government to the extent that it exercises legislative and judicial jurisdiction over the matters covered therein, and otherwise by the state and local governments: to the extent that state and local governments exercise jurisdiction over such matters, the Federal Government shall take measures appropriate to the Federal system to the end that the competent authorities of the state of local governments may take appropriate measures for the fulfillment of the Covenant.

18) The State Party Government is obligated under the Supreme Law of The Land in accordance with ICCPR Treaty Ratification: II(5) to persist unequivocally against those State Party Agents who deprived me of my fundamental rights and freedoms guaranteed protected "in accordance with its constitutional processes" – See ICCPR Treaty Article 2(2)[82]. And, further;

I Exercised My Rights

19) i brought forward the constitutional documents aforementioned which bring-forth the implementing Laws that recognize these rights: The Declaration of Independence to the Supreme Law of the Land – the Const-1787 and the BORights-1789-91, the Ohio and Arizona state constitutions; all say that all men have these inalienable rights; further,

i Stand As Man In My Full Legal Capacity Without legal abridgment[83] [84]

20) i am standing as a natural man, one of the of the people of the non-political aggregate, operating *in my full legal capacity,* exercising my Almighty God-given fundamental rights and freedoms, without legal abridgment. Under the ICCPR Treaty Article 1(1)[85] supported by the Supreme Law of the Land i claimed fundamental law rights and freedoms to political self-determination to be a man,

22) Under the ICCPR Treaty Article 14(1)[36] supported by the Supreme Law of the Land **i claimed fundamental law rights and freedoms to bring any common law claim with trial by jury.**

23) Deprivation of my right to bring a common law claim with trial by jury is a violation of my rights-exercised under ICCPR Treaty, Article 14(1); and, further,

24) Under the ICCPR Treaty Article 1(2)[37] supported by the Supreme Law of the Land **i claimed fundamental law rights and freedoms to not be forced to make a contribution of my property-claim to the State Party under the principle of mutual benefit.**

25) Depriving me of my property-claimed, possessing, holding and refusing to release my property to me is a violation of my rights-exercised under the ICCPR Treaty, Article 1(2). Moreover,

26) Under the ICCPR Treaty Article 47[38] supported by the Supreme Law of the Land **i claimed fundamental law rights and freedoms to 'utilize fully and freely [my] natural wealth and resources.'**

27) Any inalienable rights or otherwise right guaranteed protected by the Const.-1787 & BORights-1789-91 would be of little value if they could be indirectly denied; in the nature of Gomillion v. Lightfoot, 364 U.S. 155.

28) One SCOTUS narrative likened this 'deprivation of rights under the color of law' experience to slavery: "[T]he fundamental right to life, liberty, and pursuit of happiness, considered as **individual possessions**, are secured by those maxims of constitutional law which are the monuments showing the victorious progress of the race in securing to men the blessings of civilization under the reign of just and equal laws, ... "**For the very idea that one man may be compelled to hold his life, or the means of living, or any material right essential to the enjoyment of life at the mere will of another seems to be intolerable in any country where freedom prevails, as being the essence of slavery itself.**" Yick Wo v. Hopkins, 118 U.S. 256.

No ICCPR provision for violation of the Supreme Law of the Land

30) "Nothing in the present Covenant may be interpreted as implying for any State, group or person any right to engage in any activity or perform any act aimed at the destruction of any of the rights and freedoms recognized herein or at their limitation to a greater extent than is provided for in the present Covenant." ICCPR Treaty Article 5(1).

31) Any State Party Agents of National DOJ or of the 9th Circuit Court Administration who under the color of law[89] violated these provisions of law – the Law of the Land and statutory laws thereupon, as determined by the SCOTUS, have violated my fundamental rights and freedoms by *No provision of the ICCPR supported by the Supreme Law of the Land.*

32) It may be that it is the obnoxious thing in its mildest and least repulsive form; but illegitimate and unconstitutional practices get their first footing in that way, namely, by silent approaches and slight deviations from legal modes of procedure. This can only be obviated by adhering to the rule that constitutional provisions for securing of person and property should be liberally construed. A close and literal construction deprives them of half their efficacy, and leads to gradual depreciation of the right, as if it consisted more in sound than in substance. It is the duty of courts to be watchful for the constitutional rights of the [man], and against any stealthy encroachments thereon. Boyd v. United States, 116 U.S. 616, 635.[90]

Section 5 Enemies, foreign or domestic

33) My fundamental-inalienable rights and freedoms are not subject to vote; they are forever. And, these fundamental rights and freedoms embodied in the Supreme Law of the Land have been set to recognition internationally within the ICCPR Treaty. When the State Party Agencies or Agents violate the Constitution then they are creating felonies; and, based upon the foundation of our government those State Party Agents are domestic enemies.

34) The United States Government has an obligation[91] to national and international covenants to protect my fundamental-law rights and freedoms. Once these obligations have been breached[92] by State Party Agents within the National DOJ and the 9th Circuit Court Administration; these State Party Agents that commit felony Constitutional Law violations are criminals: wrong-doers and domestic

enemies, Not representatives of the legitimate Government. The State Party must expediently, assertively/aggressively and assuredly protect me from domestic enemies, which is no more than their obligation.

Section 6 Crimes Committed Against Me

At the US DOJ

35) From October 2016, a man, a State Party Agent of the National DOJ of the United States Government, et al., I) began criminally *holding to possess my property-claimed*, II) did Not acknowledge and/or III) *ignored my claim* for the property with return correspondence or release of property-claimed; and, IV) subsequently, *defaulted in Dishonor[93], estoppel[94] by silence[95]*. Therefore:

At the USDC- Arizona, Phoenix

36) In the month of January 2017, I *ordered an/at common law[96] - trial by jury-claim[97]* with the men, State Party Agents, at the USDC- Arizona, Phoenix; the claim was for property-claimed in an *amount in controversy of greater than one hundred sixty-five thousand one ounce silver dollars*; and, further,

37) The *State Party Agents did I) not file[98] [99] my common law claim at the USDC as i ordered for to get my property-claimed secured and returned to me: they* instead II) filed a commercial[100] complaint[101] [102] in the USDC, III) without authority[103]: and that, IV) WITHOUT REGARD TO: 1) the express written pre-notifications to the men of my common law- trial by jury intent[104], 2) a rightful[105] 'Compensation Due agreement[106], activated[107] if the State Party Agents trespassed[108] on the case[109], and 3) subsequent demands. – *Gross trespass on the case[110], and felony[111] Constitutional and statutory violations[112]*; and, further,

38) A month later, the group indicated in writing that my claim, meaning their commercial complaint, would not be heard unless i gave assent[113] legitimizing their jurisdiction[114] over their commercial complaint filing of my common law claim documents. – *extortion, violation of 28 U.S.C. §§ 2071, 2072.*[115] Their lawful duty was to record all proceedings faithfully and impartially[116]

At the USDC- Magistrate was Involved

39) The magistrate involved was a man who, *having not received jurisdiction from me, self-imposed jurisdiction over their commercial complaint.* All of my demands made for to proceed upon my common law claim as ordered for suit were ignored[117]. – *Trespass on the case, misprision of felony[118], 18 U.S.C. § 241, conspiracy against my fundamental rights and freedoms, and fraud[119].*

The Loss[120], The Damage[121] And The Grief[122]

40) The State Party Agents actions have caused me significant loss, damage and grief:

I) deprivation of my inalienable fundamental law rights and freedoms; II) loss and harm by non-possession of my property-claimed; III) loss and harm by non-use benefit of my property-claimed: IV) grief of the after nearly seven months of the extraordinary difficulty of obtaining simple justice from corrupt State Party Agency Administrations of/under ex-President Obama Administration.

41) i am testifying and declaring the true seeking justice: my rights, my property, my resources, and for the criminals to answer for their crimes and judicial tyranny[123].

Section 7 Enforce My Exercise Of My Inalienable Rights

Oath Of Office, Duty And Obligation

42) The heart is deceitful above all things, and desperately wicked; who can know it? I the LORD search the heart, I try the reins, even to give every man according to his ways, and according to the fruit of his doings. KJV, Jeremiah 17: 9-10

43) It is a snare to the man who devoureth *that which* is holy, and after vows to make enquiry. KJV: proverbs 20:25

44) State Party Agents under oath of office to the Constitution, and duty and obligation must ensure, promote, respect, protect and enforce my exercise of my inalienable rights. However, I above testify true and declare a history in fact of record detailing criminal actions against me imposed by State Party Agents: criminal actions, not mere error, systemic, systematic practices to defraud me of and to undermine my exercise of inalienable fundamental rights and freedoms.

45) [When a State Party Agent] acts in excess of his statutory authority or in violation of the Constitution... he ceases to represent the Government. United States v. Stewart, 234 F. Supp. 94.

When State Party Agents Are Criminals

46) When the State Party Agents' acts are criminal wrongdoings then the likelihood of any effective administrative remedy in redress of that criminal behavior is perceptively very low to absent: at best a Kangaroo Court[124]. No one is required to pursue an administrative remedy in this situation. But, because;

47) "... [T]he [Main] United States understands that this (ICCPR) Covenant shall be implemented by the Federal Government to the extent that it exercises legislative and judicial jurisdiction over the matters covered therein, ... for the

fulfillment of the Covenant." – ICCPR Treaty Ratification, II(5) – then, to lay to rest speculation,

48) I reported[125] my rights deprivation(s) and situation to the 9th Circuit Executive Committee of three[126] by USPS Registered Mail delivery[127]. *After two months*, I yet want for a timely Const.-1787 - BORights-1789-91 - ICCPR Treaty compliant response from them; *there is No answer regarding their implementation of restraint, control over, correction and/or elimination of their criminal subordinates*. –

The Result: Probable: *The Scheme-Scam Is Condoned*

49) *Essentially, working together governmental agencies can steal from anyone, and deny your access to court except under their special Kangaroo Court jurisdiction, and all under their watchful eyes of misprision of* felonies; to wit: The initial and continued possession of my property-claimed by the State Party Agents of the National DOJ is in direct violation of ICCPR Treaty Articles 1(1) and 47, Const.-1787, Article 1(8), and Bill of Right-1789-91, Amendment V. And, the State Party Agents of the 9th Circuit Court Administration deprived my right to a common law trial by jury by fraud tantamount to theft[128] and judicial tyranny in dereliction of duty, obligation and oath to the Supreme Law of The Land. – a Coordinated organization.

Remedy And Recourse

50) The United States Constitution – the Const.-1787, BORights-1789-91 –, the Supreme-inalienable Law of The Land, supersedes every other law in the United States' Executive, Legislative or Judicial branches of Government. And, all State Party Agents are sworn under oath to the Constitution to defend the people-sovereigns from all enemies, both foreign and domestic. ***This legally binding duty and obligation under oath of office is to protect me and my exercise of my fundamental rights and freedoms.*** And, this is what I require:

51) I) With regard to my inalienable fundamental rights and freedoms secured by the Constitution for the United States of America; I wish my fundamental rights and freedoms ensured, promoted, respected, protected and enforced in my exercise of my rights, here now and to forever; the State Party must aggressively and assuredly protect my rights-exercised by every related access.

52) II) With regard to that No filing fee is/was required for my common law claim; I wish the filing fee reimbursed immediately to the address above.

IX. TEXT OF RESOLUTION OF RATIFICATION

Resolved, (two-thirds of the Senators present concurring therein), That the Senate advise and consent to the ratification of the Inter-national Covenant on Civil and Political Rights, adopted by the United Nations General Assembly on December 16, 1966, and signed on behalf of the United States on October 5, 1977, (Executive E, 95-2), subject to the following reservations, understandings, declarations and proviso:

I. The Senate's advice and consent is subject to the following reservations:

(1) That Article 20 does not authorize or require legislation or other action by the United States that would restrict the right of free speech and association protected by the Constitution and laws of the United States.

(2) That the United States reserves the right, subject to its Constitutional constraints, to impose capital punishment on any person (other than a pregnant woman) duly convicted under existing or future laws permitting the imposition of capital punishment, including such punishment for crimes committed by persons below eighteen years of age.

(3) That the United States considers itself bound by Article 7 to the extent that "cruel, inhuman or degrading treatment or punishment" means the cruel and unusual treatment or punishment prohibited by the Fifth, Eighth and/or Fourteenth Amendments to the Constitution of the United States.

(4) That because U. S. law generally applies to an offender the penalty in

force at the time the offense was committed, the United States does not adhere to the third clause of paragraph 1 of Article 15.

(5) That the policy and practice of the United States are generally in compliance with and supportive of the Covenant's provisions regarding treatment of juveniles in the criminal justice system. Nevertheless, the United States reserves the right, in exceptional circumstances, to treat juveniles as adults, notwithstanding paragraphs 2(b) and 3 of Article 10 and paragraph 4 of Article 14. The United States further reserves to these provisions with respect to individuals who volunteer for military service prior to age 18.

II. The Senate's advice and consent is subject to the following understandings, which shall apply to the obligations of the United States under this Covenant:

(1) That the Constitution and laws of the United States guarantee all persons equal protection of the law and provide extensive protections against discrimination. The United States understands distinctions based upon race, color, sex, language, religion, political or other opinion, national or social origin, property, birth or any other status - as those terms are used in Article 2, paragraph 1 and Article 26 - to be permitted when such distinctions are, at minimum, rationally related to a legitimate governmental objective. The United States further understands the prohibition in paragraph 1 of Article 4 upon discrimination, in time of public emergency, based "solely" on the status of race, color, sex, language, religion or social origin not to bar distinctions that may have a disproportionate effect upon persons of a particular status.

(2) That the United States understands the right to compensation referred to in Articles 9(5) and 14(6) to require the provision of effective and enforceable mechanisms by which a victim of an unlawful arrest or detention or a miscarriage of justice may seek and, where justified, obtain compensation from either the responsible individual or the appropriate governmental entity. Entitlement to compensation may be subject of the reasonable requirements of domestic law.

(3) That the United States understands the reference to "exceptional circumstance" in paragraph 2(a) of Article 10 to permit the

imprisonment of an accused person with convicted persons where appropriate in light of an individual's overall dangerousness, and to permit accused persons to waive their right to segregation from convicted persons. The United States further understands that paragraph 3 of Article 10 does not diminish the goals of punishment, deterrence, and incapacitation as additional legitimate purposes for a penitentiary system.

(4) That the United States understands that subparagraphs 3(b) and (d) of Article 14 do not require the provision of a criminal defendant's counsel of choice when the defendant is provided with court-appointed counsel on grounds of indigence, when the defendant is financially able to retain alternative counsel, or when imprisonment is not imposed. The United States further understands that paragraph 3(e) does not prohibit a requirement that the defendant make a showing that any witness whose attendance he seeks to compel is necessary for his defense. The United States understands the prohibition upon double jeopardy in paragraph 7 to apply only when the judgment of acquittal has been rendered by a court of the same governmental unit, whether the Federal Government or a constituent unit, as is seeking a new trial for the same cause.

(5) That the United States understands that this Covenant shall be implemented by the Federal Government to the extent that it exercises legislative and judicial jurisdiction over the matters covered therein, and otherwise by the state and local governments; to the extent that state and local governments exercise jurisdiction over such matters, the Federal Government shall take measures appropriate to the Federal system to the end that the competent authorities of the state or local governments may take appropriate measures for the fulfillment of the Covenant.

III. The Senate's advice and consent is subject to the following declarations:

(1) That the United States declares that the provisions of Articles 1 through 27 of the Covenant are not self-executing.

(2) That it is the view of the United States that States Party to the Covenant should wherever possible refrain from imposing any restrictions or limitations on the exercise of the rights recognized and protected by the Covenant, even when such restrictions and limitations are permissible under the terms of the Covenant. For the United States, Article 5, paragraph 2, which provides that fundamental human rights

The United States declares that it will continue to adhere to the requirements and constraints of its Constitution in respect to all such restrictions and limitations.

(3) That the United States declares that it accepts the competence of the Human Rights Committee to receive and consider communications under Article 41 in which a State Party claims that another State Party is not fulfilling its obligations under the Covenant.

(4) That the United States declares that the right referred to in Article 47 may be exercised only in accordance with international law.

96 at common law meaning: 1 Stat. 73 Chap. XX. – An act to establish the Judiciary Courts of the United States; Sec. 16. And be it further enacted, That suits in equity shall not be sustained in either of the courts of the United States, in any case where plain, adequate and complete remedy may be had at law.
(b) ... If a case is cognizable at common law, the defendant has a right of trial by jury, and a suit upon it cannot be sustained in equity. Baker v Biddle, 1 Baldwin's C. C. R. 485. There cannot be concurrent jurisdiction at law and equity, where the right and remedy are the same; but equity may proceed in aid of the remedy at law, by incidental and auxiliary relief, if the remedy at law is complete.... The 16th section of the judiciary law is a declaratory act settling the law as to cases of equity jurisdiction, in the nature of a proviso, limitation or exception to its exercise. If the plaintiff have a plain, adequate and complete remedy at law, the case is not a suit in equity, under the constitution, or the judiciary act. ... Though the rules and principles established in English Chancery at the revolution, are adopted in the federal courts, the changes introduced there since, are not followed here; especially in matters of jurisdiction, as to which the 16th section of the act of 1789 is imperative.

97 The BORights-1789-91: Article IX -Amendment VII
"In suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved, and no fact tried by a jury, shall be otherwise re-examined in any Court of the United States, than according to the rules of the common law." BORights-1789-91: Amendment VII.

The right of trial by jury shall remain inviolate. ... [T]he number of jurors, not less than six, and the number required to render a verdict, shall be specified by law. Arizona State Constitution, Article 2 § 23.

Phrase "suits at common law" in Seventh Amendment refers to suits in which legal rights are to be ascertained and determined, in contradistinction to those where equitable rights alone are recognized and equitable remedies are administered. Granfinanciera, S.A. v. Nordberg, U.S.Fla. 1989, 109 S.Ct. 2782, 492 U.S. 33, 106 L.Ed.2d 26.

This [seventh] amendment was designed to preserve the basic institution of [trial by jury] in only its most fundamental elements, and did not bind federal courts to exact procedural incidents or details of jury trial according to common law. Galloway v. U.S., U.S.Cal.1943, 63 S.Ct. 1077, 319 U.S. 372, 87 L.Ed. 1458, rehearing denied 63 S.Ct. 1443, 320 U.S. 214, 87 L.Ed. 851.

While historically Seventh Amendment was intended to preserve right to jury trial as it existed in 1791, guarantees afforded have been interpreted to encompass not merely suits which common law recognized among its old and settled proceedings, but suits in which legal rights are to be ascertained and determined, in contradistinction to those where equitable rights alone are recognized and equitable remedies are administered. Ginberg v. Tauber, D.C.1996, 678 A.2d 543, certiorari denied 117 S.Ct. 738, 519 U.S. 1077, 136 L.Ed.2d 677.

This [seventh] amendment preserves to litigants right to jury trial in suits at common law, including not merely suits which common law recognized but suits in which legal rights were to be ascertained and determined, in contradistinctio to those where equitable rights alone were recognized and equitable remedies were administered. Farmers-Peoples Bank v. U.S., C.A.6 (Tenn.) 1973, 477 F.2d 752. See, also, Hyde Properties v. McCoy, C.A.Tenn.974, 507 F.2d 301.

Seventh Amendment right to jury trial applies not only to common-law causes of action, but also to statutory causes of action analogous to common-law causes of action ordinarily decided in English law courts in the late 18th century, as opposed to those customarily heard by courts of equity or admiralty. City of Monterey v. Del Monte Dunes at Monterey, Ltd., U.S.Cal.999, 119 S.Ct. 1624, 526 U.S. 687, 143 L.Ed.2d 882.

98 See: The Judiciary Act; September 24, 1789. Sec. 7. And be it [further] enacted, That the Supreme Court, and the district courts shall have power to appoint clerks for their respective courts, and that the clerk for each district court..., and each of the said clerks shall, before he enters upon the execution of his office, take the following oath or affirmation, to wit: "I, A. B., being appointed clerk of , do solemnly swear, or affirm, that I will truly and faithfully enter and record all the orders, decrees, judgments and proceedings of the said court, and that I will faithfully and impartially discharge and perform all the duties of my said office, according to the best of my abilities and understanding. So help me God.'... And the said clerks shall also severally give bond, with sufficient sureties, ... 1 Stat. 73. *An Act to Establish the Judicial Courts of the United States*[;] and, consistently,

Whoever, being a clerk of a district court of the United States, willfully refuses or neglects to make or forward any report, certificate, statement, or document as required by law, shall be fined under this title or imprisoned not more than one year, or both. 18 U.S.C. § 2076 – Clerk of United States District Court. 62 Stat. 796; 110 Stat. 3498.

115 28 U.S.C. § 2071 – Judiciary and Judicial Procedure, Part V – Procedure, Chapter 131 – Rules of Courts – Rule-making power generally, (a) the Supreme Court and all courts established by Act of Congress may from time to time prescribe rules for the conduct of their business. Such rules shall be consistent with Acts of Congress and rules of practice and procedure prescribed under section 2072 of this title[;] and,
28 U.S.C. § 2072 – Judiciary and Judicial Procedure, Part V – Procedure, Chapter 131 – Rules of Courts, – Rules of procedure and evidence; power to prescribe, (a) the Supreme Court shall have the power to prescribe general rules of practice and procedure and rules of evidence for cases in the United States district courts (including proceedings before magistrate judges thereof and courts of appeals. 117 Ignore means: To disregard willfully; to refuse to recognize; to decline to take notice of [;] in the nature of Cleburne County v. Morton, 69 Ark. 45' Black's Law Dictionary, 4th Ed., p. 882.

11818 U.S.C. § 4 Misprision of felony. Whoever, having knowledge of the actual commission of a felony cognizable by a court of the United States, conceals and does not as soon as possible make known the same to some judge or other person in civil or military authority under the United States, shall be fined under this title or imprisoned not more than three years, or both.

119 When a court violates the clean and unambiguous language of the Constitution, a fraud is perpetrated and no one is bound to obey it. State v. Sutton, 63 Minn. 147

"In Bradley v. Fisher, 80 U.S. (13 Wall) 335, 351-352, the supreme Court established the guidelines for determining the scope of judicial immunity: 'Where there is clearly no jurisdiction over the subject-matter, any authority exercised is a usurped authority, and for the exercise of such authority, when the want of jurisdiction is known to the judge, no excuse is permissible.'" Bauers v. Heisel, 361 F.2d 581

A void judgment is one that has been procured by extrinsic or collateral fraud, or entered by a court that did not have jurisdiction over the subject matter or the parties. Rook v Rook 353 S.E.2d 756

In general, fundamental rights protected by the [Constitutional] Bill of Rights, such as due process apply only to individual persons, not to the federal government. Lyons v. United States, 99 Fed.Cl. 552.

"Where rights secured by the Constitution are involved, there can be no rule making or legislation which would abrogate them." Miranda v. Arizona, 284 U.S. 436, 491

122 grief means: the intense emotional pain caused by loss, misfortune, injury, or evils of any kind

124 Kangaroo court means: a sham legal proceeding in which a person's rights a totally disregarded and in which the result is a foregone conclusion because of the bias of the court or other tribunal. Black's Law Dictionary, 6th Ed., p. 868.

125 However, in my observation, given the scope and scale of the actions evidenced in my case, and given the conspicuous absence of common law actions in the Phoenix, Arizona area of several million people, the likelihood is that I am in fact testifying and reporting herein about a much larger and serious problem: even, perhaps larger systemic and systematic State Party Agents who by deceit under the color of law are at wrong-doings against the United States of America people by systematic deprivation of constitutionally guaranteed inalienable fundamental rights and freedoms.

the only next responsible party in the 9th Circuit Court for addressing the harm and loss i allege, i want my Common-Law-Claim filed and proceeding with no abuse actions against me.

Section I: Offenders: the Group

For nearly four months, beginning January 04, 2017, my Claim has been destroyed by an employee- "group"[8] within the 9th, Circuit United States District Court[9], "USDC", Phoenix, Arizona. As explained below under Section III, the group's disregard for my fundamental-and-substantive-rights, rather than the protection of my rights, is a violation against[10] the sovereign people, "people" – the same United-States-of-America-people giving rise to the government for the United States, the United States government, "USgov", and under it, the inferior-courts.

Section II: The Contract

Understanding Almighty God, the people of the United States formed-the-Constitution[11] for the people of the United States, under which the USgov was delegated authority[12] to serve: to establish statutory[13] judicial rules and inferior courts[14]. To wit:

a) No statute, and No code, and No rule on any level of the USgov may exceed the Constitutional limits of authority delegated to it by the people; b) The people are forever sovereign over the USgov. And, c) the USgov is forever bound by the Constitution contract: to understand the limits, duties, and obligations of the authorization enabled it. This is common knowledge in fact and in public records.

Section III: Breach of Contract

i presented a claim for filing suit with trial-by-jury[15], for the recovery of my property re: "'Hill v Lynch'" **In The *Hill Court;* 'A Federal Court'**

at 'District Court of the united States
for Phoenix Arizona', U.S.A.
Claimant Case No: CMN 7009 1410 0000 7868 5703 "
The USDC- Phoenix assigned Case No. CV-17-00026-PHX-BSB.

But, my Common-Law-Claim presentment was Not filed for suit as ordered. Instead, the group, at the USDC- Phoenix Clerk of Court, et al.: 1) changed[16] the court[17], 2) changed the trial-by-jury, and 3)

changed the jurisdiction[18]: 3a) without[19] my counsel, 3b) with No-authorization[20], and 3c) without jurisdiction; then, they 4) did not issue summons; and, 5) a month later wrote ostensibly[21] that they would not issue summons unless I agreed to substitute their jurisdiction. **Neither the USgov nor an inferior court under it has authorization from the people in the Constitutional contract to impose[22] wanton abrogation[23] of fundamental or substantive or common law rights upon the people (upon i: man).** To this, any and all presumption of authority for the group's any changes to my claim has been expressly denied[24].

Section IV: Intent and Damage

The Arizona group implemented an obscure[25] color-of-law scheme using 'rules' and standard-operating-procedure[26] with No authority under the USgov to systematically- deprive[27] the people of their (i: man of my) fundamental, substantive, and common law rights. The record reflects that the group ostensibly sought to obtain jurisdiction over my claim by willful deception and coercion.

At minimum the group members exceeded the USgov Constitutional authority, and did harm and cause loss upon i: man, and with regard to the trespass-upon-the-case[28] of the Common-Law-Claim for suit for an amount in controversy greater that twenty dollars. See Constitution (1787); Bill-of-Rights[29] (1789), Amendment VII[30], IX[31] and X[32].

Psa 3:1-3 A Psalm of David, when he fled from Absalom his son. LORD, how are they increased that trouble me! many *are* they that rise up against me. 2 Many *there be* which say of my soul, *There is* no help for him in God. Selah. 3 But thou, O LORD, *art* a shield for me; my glory, and the lifter up of mine head.

"The enumeration in the constitution, of certain rights, shall not be construed to deny or disparage others retained by the people." Const.-1787 & BORights-1789-91: Article the eleventh [Amendment IX]

The enumeration in this [Arizona state] Constitution of certain rights shall not be construed to deny others retained by the people. Article 2, § 33.

Rather than enunciating particular affirmative right, Ninth Amendment serves to protect other fundamental rights that are not set forth in Constitution. U.S. v. Vital Health Products, Ltd., E.D.Wis.1992, 786 F.Supp. 761, affirmed 985 F.2d 563.

The Ninth Amendment is not a substantive source of constitutional guarantees, but was drafted to cope with the problem created by the enumeration of specific rights in the bill of rights, to avoid lowering, degrading or rejecting any rights not specifically mentioned in the Bill of Rights. Schertz v. Waupaca County, E.D.Wis.1988, 683 F.Supp. 1551, affirmed 875 F.2d 578.

110 Gross- trespass on the case means: 1) [W]hile statutes enjoy the presumption of constitutionality, "delegations of legislative power are valid only if they establish specific policies and fix definite standards to guide the official, agency, or board in the exercise of the power. 78 SELF-OPERATING means: A treaty is generally self-operating in that it requires no legislation by either Congress or the state. Amaya v. Stanolind Oil & Gas Co., C.C.A.5 (Tex.) 1946, 158 F.2d 554 , certiorari denied 67 S.Ct. 1191, 331 U.S. 808, 91 L.Ed. 1828 , rehearing denied 67 S.Ct. 1530, 331 U.S. 867, 91 L.Ed. 1871.

79 SELF-EXECUTING means: "Self-executing treaty" is one that becomes domestic law of signatory nation without implementing legislation, and provides private right of action to individuals alleging breach of its provisions. U.S. v. Noriega, S.D.Fla.1992, 808 F.Supp. 791.

Havelock, 664 F.3d 1284 (2012).

Supremacy of [the] Constitution [for the United States of America] over treaties also applies to executive augmentations. Holmes v. Laird, C.A.D.C.1972, 459 F.2d 1211, 148 U.S.App.D.C. 187, certiorari denied 93 S.Ct. 197, 409 U.S. 869, 34 L.Ed.2d 120.

Sovereignty itself is, of course, not subject to law, for it is the author and source of law; but, in our system, while sovereign powers are delegated to the agencies of government, sovereignty itself remains with the people, by whom and for whom all government exists and acts. ... Dear Kristen, Katie, Steve; Greetings,

Kristen :i :Darrell-James: Hill am: Ohioan born on the land in the Summit county Ohio state territory as the Certificate Of Birth established this fact of my nationality and standing: common law owner, one of the people].

:You are man acting in the role of PUBLIC SERVANTS. And, failure of your public duty with the without- remedy-denial of this man's document for the recordation is denied. And, as provided, your without-remedy-attached-denial-form instructs to this man to seek legal advice for to decipher your hypothetically legitimate denial of a common law public service duty and obligation[2] to the Ohio state national :Darrell-James: Hill. Your without-cause-denial process employed by your creating the impasse is effectively coercive and thereby tantamount to the giving legal advice to this Ohio state national. :i do not consent to your legal advice. Furthermore, the document for the recordation is Not a statutory request. To wit:

This man's document for the recordation is a common law exercise of the right and responsibility of the man-beneficiary and administrator :Darrell-James: Hill[3]. And, I: administrator require :you :public trustee to file the referenced document now. Moreover:

> Important to note; under the paragraph number four, et seq.: "INTENT OF THE CLAIM: CURATIVE REGISTRATION AND RECORDATION OF THE FOUND LIVE LIFE: Darrell-James: Hill", continuing on page 2/4, b.l) "READ CAREFULLY": the fee schedule for the trespass in your denial-to-record this common law document in the Summit county Ohio state is specified. For the any further trespass of your public trustee oath, duty or obligation to this Ohioan is thereupon-heretofore willful; and: fee is thereupon due-now-upon-request beginning from the day of your receipt of the document: April 18th, 2018; 11:42:am., and ending upon the resolve of this matter despite any legal proceedings, and without statute of limitation.

:Steve :Notice of a common law crime is hereby now upon this receipt before you and a known crime has and, influenced upon the response to this man's document, has/is occurring in your county against the Ohio state national :Darrell-James: Hill. Upon this, as stated above, for the any further damage, an Affidavit of Claim of Criminal Activity will be issued to your office for the reimbursement of these additional costs and for the payment of the fee schedule due-payable-now upon the request by :Darrell-James: Hill for the deprivation-of-right injury(s).

:I affirm the all herein is true and correct and will testify to the same in the open court.

:Day :April 25, 2018 :Darrell-James: Hill :man, administrator

Michele: Secretary of State Reagan
Office of the Secretary of State- Arizona
1700 West Washington Street, 7th Floor
Phoenix, Arizona 85007

USPS RMN RE 047 636 470 US

Doug, Michele; Greetings,

i:man :beneficiary of the inherent right of the people and public trust named DARRELL JAMES HILL am an Ohioan inhabitant on the Arizona state and also known as :Darrell- James: Hill[1]. i:man write to end criminal wrong-doing by you/people:persons under your charge, that the violations will never again occur against i:man. Here is the account:

(a) On the Tuesday: July 3rd 2018: i:man sent: "*State of Arizona – Office of the Secretary of State:* Apostille/ Certification of Authentication Request" and all contents also including the 12.00 fee asked for the ministerial request made.

(b) On or about the Friday: July 27th, 2018: i:man received back all of the contents of the item (a) above; however, the Arizona-notary is not-authenticated as i:man requested and required. – This was not expected.

(c) Sent with the returned request package of documents: item (b)-above, is: "APOSTILLE/ AUTHENTICATION RETURN FORM", "Return Form"; presented solely: not dated; nor signed; nor with prior correspondence. On the bottom of this form for the determination of the denial of the rightful authentication are two inset items x-checked that suggest & claim a statutory discretionary authority to discriminate any document based solely and only upon a "reasonable belief". See: Return Form copy: annexed: 1 page. Wherefore:

(d) Wanton violations are demonstrated within this application of the Return Form; for:
1: the request executed by i:man for the authentication of the Arizona-notary is the extent of the request; and,
2: the request executed by i:man for the authentication of the Arizona-notary is a ministerial act required;
3: no contract exists authorizing discretion in the place of the ministerial requirement requested;
4: no such presumed discretionary authority over the rightful requirement exists at this time[2];
5: only void Arizona legislation, and including A.R.S. § 41-121(B), may authorize "due process" violations to any person; and:
6: only void Arizona legislation, and including A.R.S. § 41-121(B), may authorize harm to the beneficiary of the rights- inherent and of the public trust;
7: personal, not governmental nor immune, are individuals' violations against the protection of the rights of the beneficiary; and, thereby, causing the beneficiary harm demonstrates the criminal trespass and breach of duty by the trustee.

(e) If, in the spite of the considerations in the item (d) above: you, et al., yet believe you possess a statutory discretionary authority to discriminate any document based solely and only upon your "reasonable belief" then your every denial of a ministerial act requested and required by i:man must at the same time present your written statement for your action. However:

(f) See: **"AFFIDAVIT: Superior Constructive Notice and Demand: Permanent Non-Commercial Presumption: man: Darrell- James: Hill", et seq.,** – annexed; ~~19~~ 16 pages – for to set the presumption and for the avoidance of the willful violation. – Note: The fee schedule for the violation of the right of this beneficiary is due payable upon request and accumulative until the resolve of the violation is fulfilled.

- ☐ Please indicate what COUNTRY the document(s) will be sent.
- ☐ Please use enclosed apostille request form.
- ☐ Please send your payment of $3.00 per notarized and/or certified document.

- ☐ Your document(s) were not received.
- ☐ Your document(s) is/are improperly notarized. Please have the notary review their reference manual or visit our website at www.azsos.gov on how to perform a proper notarization:
  - ☐ Notary is acting outside the scope of her authority; statements should be coming from signer not the notary. When you resubmit, please make sure it is the original document and it has a notarial language certificate.
  - ☐ Venue is missing on notarizations, List State and County of where notarization took place. Please have the notary review his/her reference manual for instruction on how to properly notarize a document.
  - ☐ The signer's personal information cannot be part of the notarial certificate because a notary public cannot attest to that. Please have the notary review his/her reference manual for instructions on how to properly notarize a document.
- ☐ An apostille is a certification of a Notary or public official, in your case you would need to have all of your documents notarized prior to sending them in for apostille.
- ☐ **NOTARIAL LANGUAGE IS MISSING:** A Notary who notarizes a document without notarial language has performed an incomplete notarization. A court of law could declare the notarization invalid. (samples attached)

X The Secretary of State has been advised by the U.S. Department of State to refuse to notarize, authenticate, or affix the Hague Apostille to certain documents. Additionally, A.R.S. § 41-121(B) grants the Secretary of State authority to deny such requests. The Secretary of State may refuse to perform a service or refuse a filing after the document/filing has been reviewed.

X After reviewing your documents the secretary has decided to not issue your apostille/certificate of authentication, this is not a document that our office can authenticate.

And,

In accordance with out best effort to be complete in the statements attached – See our Affidavits: Claim of Wrong-doing by Aaron Jacob: Service manager, Assistant Vice President Jaime.... - annexed: 8 pages, – we in good faith efforts failed to find resolve with a Wells Fargo manager denying an Arizona Secretary of State notary officer from performing in accordance with the Arizona state law simply as he wanted to do so, and in despite of the effort and presentment of the Arizona law the manager ignored Arizona laws. It seemed the notary was also afraid of losing her position/ job security.

Essentially, this manager is the authority for to determine employee notaries' compliance with Arizona state law. Is this a Wells Fargo policy? Is this a special agreement with the Wells Fargo and Company and the Arizona government? Or, is this some independent, private people discrimination? I wish not to be disrespected, harassed or threatened by this man again.

We will speak out. But how many do not?

I (We) say now and will affirm same in the court.

Beverly- Jean: Romero- Hill personally presented before me, the undersigned Notary duly authorized by the laws of Arizona to administer oaths; now on this 29th day: August month: 2018, being by me first duly sworn on his affirmation, affiant deposes and says:

i:man: beneficiary of the inherent rights and public- trust known by the idem sonans subrogation BEVERLY JEAN ROMERO am :Beverly-Jean: Romero- Hill © ® 1958, subrogee and Authorized Representative, "A.R." i: and my husband :Darrell- James: Hill © ® 1958 are inhabitants on the Arizona state around and about the Apache Junction.

i maintain a Wells Fargo Bank account, and commonly seek Arizona state notary services at the Wells Fargo Bank mentioned. We are in good faith appreciative for the Arizona state notary services.

On the 20th: August: 2018: We, Darrell, grand-baby and i, at the Wells Fargo location indicated above: address: 2891 W. Apache Trail, Apache Junction, Ariz. 85120, were denied notary services by the man: Aaron Jacob: Service Manager, Assistant Vice President Jaime, by his denial of the authorization for the Wells Fargo employee, an Arizona Secretary of State notary Heather Wood, to follow state law; as such:

1. Notary Heather Wood, Comm: expires: 01-04-21, became available to notarize.
2. We requested Copy Certification and presented our documents: 1- Arizona Driver License: BEVERLY JEAN ROMERO- HILL and 1- New Mexico Certificate Of Live Birth: BEVERLY JEAN ROMERO.
3. Heather said she did not know how, had never before completed a Copy Certification, and needed to go ask about it.
4. Heather:notary returned to the office cubicle with a man who identified himself as: Aaron:Vice President. He later provided his Wells Fargo business card.
5. Aaron:Service Manager came with two booklets marked from a NNA(?) organization, pamphlets regarding notary actions from which he read. Aaron:Service Manager claimed that he was not a notary, had not been to the class in a long time, and had not since been a notary for many years.
6. After a couple minutes Aaron:Service Manager said to Darrell and i that according to his booklets that he would not authorize (Heather:notary) to Copy Certify our documents.
7. Darrell and i did not agree; Darrell-James then said that according to the Secretary of State; – he'd been to the class, – our documents can be rightfully copy certified; progressively commenting that: 1) the documents needed to be sent out of state, 2) it is extremely expensive for us to send original documentation to each out of state recipients, 3) sending original would be impractical, and 4) asked to read whatever was being relied upon to deny the Copy Certification.
8. Darrell read the booklet references, and indicated that: a) the booklets are very general; and: b) the booklets are not law: Arizona.
9. Aaron:Service Manager then instructed Heather:notary to call the NNA(?), which she did, 2-3 times as the clarification for the lawful reason for the denial continued;
10. At this point, Aaron:Service Manager began raising his voice, being insistent that he was somehow correct, determining that he was going to follow the NNA(?).
11. Aaron:Service Manager then sat at Heather:notary's computer, printed and presented to Darrell and i the Secretary of State: Arizona, Notary Manual: p. 28. – Thereon: 3. Copy Certification A.R.S. § 41-

12. Darrell-James read p. 28 and asked Aaron:Service Manager to print the next page 29. regarding the Arizona Notary Manual direction, but Aaron:Service Manager said no, saying that we've already taken too much time, are not going to do anything else; are not going to print to clarify any more, and that other people are waiting ....
13. Darrell then asked Heather:notary to print the necessary information, to which Aaron:Service Manager replied, "What don't you understand, we're not going to do anything else."
14. Darrell pointed-out to Aaron:Service Manager and Heather:notary that the page 28 is not Arizona law, that the manual only made examples, that there is something wrong, and again asked for the ARS sections to clarify. Clarification by/ with the Arizona law was denied.
15. Aaron:Service Manager speaking loudly exclaimed, If it's not law then why would the Secretary of State write it in the manual?!
16. Aaron:Service Manager then instructed Heather:notary to call to the Secretary of State Arizona Notary Help Line (?), etc., which she did. We did not hear the conversation, but discerned that Heather was directed to the A.R.S. § 41-311, which she wrote down. She found out that she was able to copy certify Arizona Driver License, and answered no more questions regarding information she received.
17. Darrell offered to go home (~ 6 miles), do the research, and return with the findings in order to obtain the notary service requested and required.
18. Aaron:Service Manager replied, 'You can go and do all the research you want to do at home, we are still going to follow the booklet.'
19. Darrell then asserted: the offer is for our willingness to do the research and return with the findings either way in good faith. And, Aaron:Service Manager agreed to meet. Then,
20. Aaron:Service Manager walked away, permanently.
21. Aaron:Service Manager now absent, Darrell and i apologized to Heather for this level of difficulty with the Copy Certification, in that we had not a clue this would happen, and that it would take so much time ~ 2 hours.
22. Darrell-James affirmed to Heather that she could Copy Certify both documents according to Arizona law. And,
23. Heather:notary responded with in a low quiet expression that: I will do whatever Wells Fargo's policy says, said as if lawful notary compliance would mean the threat to the position/ job security.
24. Heather then stated: I'll probably get in trouble but I am going to Copy Certify the Arizona Driver License because you've been here so long; commenting: But, I don't think I'll do this again.
25. Lastly, with the Copy Certification: ADL: BEVERLY JEAN ROMERO- HILL completed; and, with the New Mexico Certificate of Live Birth Not completed, we went to do our research in hopes of obtaining notary Copy Certification consistent with the foundational original affidavit (**AFFIDAVIT: PROOF OF LIFE TO SUPPORT PAYMENT**) already notarized by Heather:notary referring to a New Mex. Mark:Sheriff, Mark, Michele, John, Lawrence, Greetings,

i:man: beneficiary of the inherent rights and public- trust known by the idem sonans subrogation BEVERLY JEAN ROMERO- HILL am :Beverly-Jean: Romero- Hill © ® 1958, subrogee and Authorized Representative. i and my husband :Darrell- James: Hill © ® 1958 are inhabitants on the Arizona state around and about the Apache Junction. And,

In accordance with out best effort to be complete in the statements attached – See our Affidavits: Claim of Wrong-doing by Aaron Jacob: Service manager, Assistant Vice President Jaime.... - annexed: 8 pages, – we in good faith efforts failed to find resolve with a Wells Fargo manager denying an Arizona Secretary of State notary officer from performing in accordance with the Arizona state law simply as he wanted to do so, and in despite of the effort and presentment of the Arizona law the manager ignored Arizona laws. It seemed the notary was also afraid of losing her position/ job security.

Essentially, this manager is the authority for to determine employee notaries' compliance with Arizona state law. Is this a Wells Fargo policy? Is this a special agreement with the Wells Fargo and Company and the Arizona government? Or, is this some independent, private people discrimination? I wish not to be disrespected, harassed or threatened by this man again.

We will speak out. But how many do not?

I (We) say now and will affirm same in the court.

Subject: Service Issue

Dear Darrell Hill and Beverly-Jean Romero-Hill:

We are committed to building better every day by understanding and addressing customer concerns. We want to let you know that your letter dated August 29, 2018, was forwarded to Customer Correspondence for research. We appreciate the opportunity to address your concerns.

We regret to hear that you had an unpleasant experience when you visited the Apache Trail & Meridian Branch. At Wells Fargo, we pride ourselves on developing and maintaining quality financial relationships and strive to consistently deliver the exemplary service we know our customers deserve. We strive to provide prompt, hassle-free service to all of our customers. It was difficult to learn we have not met your expectations. Your comments are very important to us, as feedback is vital to providing stellar service. Your comments and concerns have been forwarded to the appropriate management for review.

In your complaint, you inquired if there was an independent form of "private, people discrimination" in regard to the branch declining your request. Please be assured Wells Fargo takes all allegations of discrimination very seriously, and does not tolerate such behavior from our employees or from individuals with whom we do business. We are committed to being an inclusive company where all people are treated fairly and recognized for their individuality. Our intent is to provide hassle-free service to all customers with the most professional, courteous and efficient customer assistance possible. We sincerely apologize for any inconvenience or frustration you might have experienced as a result of your visits.

In researching your complaint our office contacted the Apache Trail & Meridian Branch with regard to your concerns. The Branch Manager informed us that during your visit that a birth certificate and an Arizona state driver's license were presented to be notarized. Upon review, they contacted the Secretary of State and confirmed that they would not be able to notarize the birth certificate but they would be allowed to notarize the driver's license if Wells Fargo provided the correct form. At this time, Wells Fargo does not provide the form required to notarize the requested documents so the request was declined. It was also advised that you were provided with Notary Books Edition Thirteen and Fourteen that confirmed they would not be able to complete your request.

Dear Beverly Romero:

This letter refers to your recent transaction and/or inquiry.

A TreasuryDirect account is only used to purchase United States Savings Bonds, Treasury Bills, Treasury Notes and Treasury Bonds with your own money deducted from your personal checking or savings account where you conduct banking business.

Please be aware that neither your birth certificate nor your social security number are savings bonds, nor are they any other type of Department of Treasury obligation. The information regarding your entitlement to securities and/or savings bonds is incorrect. Contrary to what you believe, your birth certificate is NOT a security, and therefore there are not any Government funds to which you are entitled because you were born in this country. This is a birthright scam. There is nothing further we can do to assist you.

For general questions about Treasury Securities, visit our website at www.treasurydirect.gov.

Sincerely,

Treasury Services

Dear Beverly Romero:

This letter refers to your recent transaction and/or inquiry.

You don't have a TreasuryDirect account because you never opened one.
TreasuryDirect® is our Web-based system that allows you to purchase the full range of Treasury consumer securities in one convenient online account. In your TreasuryDirect account, you can purchase and hold bills, notes, bonds, Treasury Inflation-Protected Securities (TIPS), Series EE or I savings bonds, and Zero-Percent Certificates of Indebtedness (C of I). It's available 24 hours a day, 7 days a week.
But that's not all. You can also:

- Convert paper Series EE/E and I savings bonds to electronic securities and hold them in your TreasuryDirect account.
- Transfer marketable securities (bills, notes, bonds, and TIPS) from a Legacy Treasury Direct® account or from the commercial market into your TreasuryDirect account.

Your TreasuryDirect account is protected by a password of your choosing. The system allows you to conduct most of your routine transactions online. You can purchase, reinvest, or sell securities, and perform account maintenance from your home or work computer. Adding or editing bank information and some transfers will require a paper form. You can also view all your account information, including pending transactions. TreasuryDirect offers all of these features with no maintenance fees, no matter how much you have invested.
With TreasuryDirect, there are no paper securities.

For additional information or to open an account, log on to http://www.treasurydirect.gov/.
To open an account, click on Open An Account in the right-hand section of the screen. On the TreasuryDirect - Open an Account screen, click on TreasuryDirect.

Re: See attached Sheet

To whom it may concern:

Thank you for the November 9th, 2018 response. I was wondering about the rumors of the birth certificate and the SSA number birthright stuff, so I asked about it. I suggest you make a public declaration about it and explain it to everyone. Otherwise, more people are going to be writing formally inquiring about/for the truth as I did.

Now that I, Beverly-Jean: Romero- Hill have been identified per the verified request, please open the primary TreasuryDirect Account per the request that I may freely purchase United States Savings Bonds, Treasury Bills, Treasury Notes and Treasury Bonds from my personal checking or savings account where I conduct banking business.

Re: Case#: 1-3479183059

USPS CMN 7018 0360 0000 5968 8898

Hello:

You stated in your November 7th 2018 letter in the response to my FS Form 5444 with the social security number: [redacted], that: the social security number: [redacted] is unassociated with a minor account for me. – Is this correct?

It is my understanding that all people born as Ohio state nationals and receiving a 'birth certificate', et seq. have a minor account established for them. – Is this correct in my case?

Has there ever been a minor account for me with the social security number: [redacted] – If so, what happened to that account?

I do not comprehend/understand how or why no minor account was located for me under the social security number: [redacted] And,

Please, help me comprehend the minor accounts:

1. Who creates the minor accounts for the people?
2. Are minor accounts established for all of the people born as an Ohio state national and provided a birth certificate, et seq.?
3. Could there exist another minor account established for me by a different social security number & other numbers: e.g. birth certificate number?
4. If a minor account for me by some other designation exists then what is your procedure for appropriately verifying that minor account?

Sincerely,

Without prejudice,
DARRELL JAMES HILL
